Mr. Stanley J. Grogan
Central Intelligence Agency
Washington, D.C.

Dear Mr. Grogan:

According to present plans, the ABC radio network will broadcast Mr. Dulles' speech on Friday, December 4th. There is a possibility that the network may use the speech on Friday evening rather than at the time Mr. Dulles delivers it. Also, the NBC television network is interested in filming his speech, but the arrangements are tentative. It would seem that Mr. Dulles probably would wish to follow his text in view of the proposed television and radio coverage.

As I told you on the phone, we would greatly appreciate your sending us 200 copies of his speech in the event you cannot send us a copy in time for us to mimeograph it. Actually we can use more than 200 copies, but I hesitate to ask Mr. Dulles' aide to bring us a bigger package. Your cooperation in getting either an advance copy, or bulk copies to us as early as possible will be greatly appreciated.

Sincerely,

Henry R. Lamar
Assistant Director
Public Information Department
